

# ABSA Access BCI Passive Balanced Fund

Minimum Disclosure Document

## Fund Objective

The ABSA Access BCI Passive Balanced Fund provides investors access to market-related returns through the use of passive and smart-beta investment strategies by employing single and multi-asset class investment managers who pursue these strategies. The smart-beta strategies may include the following investment factors: market, defensive, quality, size and value, momentum and profitability, and will be used with the aim to deliver better risk adjusted long term total returns. The funds aims to provide investors with capital growth over the long term and may exhibit high levels of return volatility and possible capital loss over the short term. The portfolio is managed according to the guidelines as set out in Regulation 28 of the Pension Fund Act and is suitable for pension fund investment selection. The composition of the portfolio shall reflect the investment structure of a retirement fund with a moderate risk profile therefore the portfolio's equity exposure will be limited to maximum 60% of the portfolio's net asset value. In order to achieve its objective, the investments normally to be included in the portfolio may comprise a combination of assets in liquid form, money market instruments, interest bearing securities, bonds, debentures, corporate debt, equity securities, property securities, preference shares, convertible equities, convertible debentures and non-equity securities. The portfolio may from time to time invest in listed and unlisted financial instruments. The manager may include forward currency, interest rate and exchnage rate swap transactions.

## Fund Strategy

The fund will actively allocate between assets classes to achieve the objective based on thorough quantitative and qualitative analysis.

The Barclays' Investment Philosophy is the cornerstone of our offering to our clients. Through it, we aim to understand the unique needs of each of our clients and to provide them with portfolios that achieve sustainable growth and risk management through diversified investments across multiple asset classes.

### Medium Risk Disclaimer

This portfolio has a balanced exposure to various asset classes. It has more equity exposure than a low risk portfolio but less than a high-risk portfolio. In turn the expected volatility is higher than a low risk portfolio, but less than a high-risk portfolio. Where the asset allocation contained in this MDD reflect offshore exposure, the portfolio is exposed to currency risks. The portfolio is exposed to equity as well as default and interest rate risks. The portfolio is suitable for medium term investment horizons. The probability of losses is higher than that of a low risk portfolio, but less than a high-risk portfolio and moderate long term investment returns are expected

### TER Disclaimer

Please note: A higher TER ratio does not necessarily imply a poor return, nor does a low TER imply a good return. The current TER cannot be regarded as an indication of future TER's.

Transaction Costs are a necessary cost in administering the Fund and impacts Fund returns. It should not be considered in isolation as returns may be impacted by many other factors over time including market returns, the type of Fund, the investment decisions of the investment manager and the TER.

The TER and Transaction Costs cannot be determined accurately because of the short life span of the Fund. Calculations are based on actual data where possible and best estimates where actual data is not available. The TER and Transaction cost were calculated based upon figures for the past Financial Year ended 31 August 2017.

### Effective Annual Cost ("EAC")

Boutique Collective Investments adopted the ASISA Standard on Effective Annual Cost ("EAC"). The EAC measure allows you to compare charges on your investments as well as their impact on your investment returns prior to investing. For further information regarding the ASISA Standard on Effective Annual Cost and access to the EAC calculator please visit our website at [www.bcis.co.za](http://www.bcis.co.za).
