Dear Investor

FundRock BCI name change

Boutique Collective Investments (RF) (Pty) Ltd (“BCI”) forms part of the Apex Group, one of the world’s largest financial services administration groups, with more than USD 4 trillion in assets under administration globally. In South Africa, BCI is the one of the larger collective investment scheme managers, with more than R600 billion in assets under administration.

FundRock is the Apex Group’s global brand for collective investment scheme management. As part of aligning our local operations with this global brand, BCI has changed its name to FundRock Collective Investments (RF) (Pty) Ltd. As a result, all co-named portfolios previously branded BCI have been updated to FundRock and we have replaced “BCI” with “FR” in all co-named portfolio names. Portfolios that were branded BCI only have been renamed FundRock.

A detailed list of portfolio name changes is provided in Annexure A.

Please note that this is a name change only and there is no change to your investment manager, administration team nor in the way you do business with us.

No action is required from you.

If you have any questions, please contact your financial advisor or our Client Services team at sa-clientsupport@fundrock.com or 021 007 1500.

Yours faithfully

A handwritten signature in black ink, appearing to read "G. Abrahams".

Managing Director
