CITRINE FR SA BOND FUND (A)

INVESTMENT OBJECTIVE

The Citrine FR SA Bond Fund aims to generate returns above the FTSE JSE All Bond Index ("ALBI") over time, utilising active bond management combined with strategies which aim to reduce risk.

INVESTMENT POLICY

In order to achieve this objective, the investments normally to be included in the portfolio will comprise a combination of assets in liquid form and a combination of bonds and interest-bearing securities, including loan stock, debentures, debenture bonds, money market instruments, notes, corporate debt and non-equity securities. The portfolio may also invest in participatory interests or any other form of participation in portfolios of South African collective investment schemes or other similar collective investment schemes as the Act may allow from time to time, and which are consistent with the portfolio's investment policy. The portfolio invests predominantly in domestic bonds. The portfolio may from time to time invest in listed and unlisted financial instruments, in accordance with the provisions of the Act, and the Regulations thereto, as amended from time to time, in order to achieve the portfolio's investment objective.

INFORMATION AND DISCLOSURES

Risks

Certain investments - including those involving futures, options, equity swaps, and other derivatives may give rise to substantial risk and might not be suitable for all investors. Where foreign securities are included in the portfolio there may be additional risks such as potential constraints on liquidity and repatriation of funds, macroeconomic risk, political risk, foreign exchange risk, tax risk, settlement risk as well as potential limitations on the availability of market information.

PROJECTED TOTAL EXPENSE RATIO (TER)

Please note: A higher TER ratio does not necessarily imply a poor return, nor does a low TER imply a good return. The current TER cannot be regarded as an indication of future TER's. Transaction Costs are a necessary cost in administering the Fund and impacts Fund returns. It should not be considered in isolation as returns may be impacted by many other factors over time including market returns, the type of Fund, the investment decisions of the investment manager and the TER. The prior year ("PY") TER and Transaction cost calculations are based upon the portfolio's direct costs for the financial year ended 31 December 2025, whilst the underlying portfolios' ratio and cost calculations are based upon their most recent published figures, being 30 June 2026.

Effective Annual Cost:

Fundrock Collective Investments adopted the ASISA Standard on Effective Annual Cost ("EAC"). The EAC measure allows you to compare charges on your investments as well as their impact on your investment returns prior to investing. For further information regarding the ASISA Standard on Effective Annual Cost and access to the EAC calculator please visit our website at www.fundrock.co.za. FR calculates the EAC as per the ASISA standard for a period of 3 years up till the most recent TER reporting period.

#Monthly Fixed Admin Fee: From 1 June 2026, the monthly minimum administration fee per investment account for investors who do not transact online will be: More than R100 000 – no minimum administration fee; R10 000 to R100 000 – R15 per month (excluding VAT); Less than R10 000 – R25 per month (excluding VAT).

FAIS Conflict of Interest Disclosure

Please note that your financial advisor may be a related party to the co-naming partner and/or FR. It is your financial advisor's responsibility to disclose all fees he/she receives from any related party. The portfolio's TER includes all fees paid by portfolio to FR, the trustees, the auditors, banks, the co-naming partner, underlying portfolios, and any other investment consultants/managers as well as distribution fees and LISP rebates, if applicable. The portfolio's performance numbers are calculated net of the TER expenses. The investment manager earns a portion of the service charge and performance fees where applicable. In some instances portfolios invest in other portfolios which form part of the FR Scheme. These investments will be detailed in this document, as applicable.
