INVESTMENT OBJECTIVE & POLICY

This fund aims to generate capital growth over the long term and generate a reasonable income at moderate levels of volatility. Although the fund displays low volatility levels, reducing the probability of capital loss, an investment horizon of at least 3 - 5 years is recommended. This is an actively-managed, low equity fund which invests in a combination of equities, bonds, money market instruments, listed property, as well as offshore equities and fixed-interest investments. The portfolio will also be allowed to invest in listed and unlisted financial instruments (derivatives) as allowed by the Act from time to time. Capital stability is achieved through the diversification across a variety of high yielding assets.

The fund is Regulation 28 compliant and is limited to 40% equities.

DISCLAIMER

Boutique Collective Investments (RF) (Pty) Ltd ("BCI") is a registered Manager of the Boutique Collective Investments Scheme, approved in terms of the Collective Investments Schemes Control Act, No 45 of 2002 and is a full member of ASISA. Collective Investment Schemes in securities are generally medium to long term investments. The value of participatory interests may go up or down and past performance is not necessarily an indication of future performance. BCI does not guarantee the capital or the return of a portfolio. Collective Investments are traded at ruling prices and can engage in borrowing and scrip lending. A schedule of fees, charges and maximum commissions is available on request. BCI reserves the right to close the portfolio to new investors and reopen certain portfolios from time to time in order to manage them more efficiently. Additional information, including application forms, annual or quarterly reports can be obtained from BCI, free of charge. Performance fees are calculated and accrued on a daily basis based upon the daily outperformance, in excess of the benchmark, multiplied by the share rate and paid over to the manager monthly. Performance figures quoted for the portfolio are from Morningstar, as at the date of this minimum disclosure document for a lump sum investment, using NAV-NAV with income reinvested and do not take any upfront manager's charge into account. Income distributions are declared on the ex-dividend date. Actual investment performance will differ based on the initial fees charge applicable, the actual investment date, the date of reinvestment and dividend withholding tax. BCI retains full legal responsibility for the third party named portfolio. Although reasonable steps have been taken to ensure the validity and accuracy of the information in this document, BCI does not accept any responsibility for any claim, damages, loss or expense, however it arises, out of or in connection with the information in this document, whether by a client, investor or intermediary. This

document should not be seen as an offer to purchase any specific product and is not to be construed as advice or guidance in any form whatsoever. Investors are encouraged to obtain independent professional investment and taxation advice before investing with or in any of BCI's products.
