INVESTMENT POLICY

The primary objective of this fund is to deliver capital growth over the long term at moderate levels of volatility, reflecting a moderate aggressive risk profile. Capital growth is of primary importance. This is an actively managed fund which is broadly diversified across a combination of equity, bonds, money market instruments, listed property, including offshore equities and equity fixed interest investments. Its moderate aggressive risk profile results in a higher allocation to equities (maximum 75%). The portfolio will also be allowed to invest in listed and unlisted financial instruments (derivatives) as allowed by the Act from time to time, as well as offshore investments in line with Regulation 28. Investors should be prepared to tolerate capital fluctuations over the shorter term, with a recommended investment horizon of 5 years and longer. The fund is Regulation 28 compliant.

DISCLAIMER

Fundrock Collective Investments (RF) (Pty) Ltd ("FR") is a registered Manager of the Fundrock Collective Investments Scheme, approved in terms of the Collective Investments Schemes Control Act, No 45 of 2002 and is a full member of ASISA. Collective Investment Schemes in securities are generally medium to long term investments. The value of participatory interests may go up or down and past performance is not necessarily an indication of future performance. FR does not guarantee the capital or the return of a portfolio. Collective Investments are traded at ruling prices and can engage in borrowing and scrip lending. A schedule of fees, charges and maximum commissions is available on request. FR reserves the right to close the portfolio to new investors and reopen certain portfolios from time to time in order to manage them more efficiently. Additional information, including application forms, annual or quarterly reports can be obtained from FR, free of charge. Performance fees are calculated and accrued on a daily basis based upon the daily outperformance, in excess of the benchmark, multiplied by the share rate and paid over to the manager monthly. Performance figures quoted for the portfolio are from Morningstar, as at the date of this minimum disclosure document for a lump sum investment, using NAV-NAV with income reinvested and do not take any upfront manager's charge into account. Income distributions are declared on the ex-dividend date. Actual investment performance will differ based on the initial fees charge applicable, the actual investment date, the date of reinvestment and dividend withholding tax. FR retains full legal responsibility for the third party named portfolio. Although reasonable steps have been taken to ensure the validity and accuracy of the information in this document, FR does not accept any responsibility for any claim, damages, loss or expense, however it arises, out of or in connection with the information in this document, whether by a client, investor or intermediary.
